Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for New Orleans Parish School Board Urban Farming Program. The entity to receive funding for this project is for the New Orleans Parish School Board located at 2401 Westbend Parkway, New Orleans, Louisiana. The funding would be used to meet both educational and social services in the city for the Urban Farming program. The project is an appropriate use of taxpayer funds because the project will ensure that constituents will have fresh healthy foods in a space that brings community together and educate our kids about conservation of land and work to building a just environment and creating jobs.

The project has a Federal nexus because the funding provided is for purposes authorized by Title VI 42 U.S.C. 5305(a)(1), 42 U.S.C. 5305(a)(2), 42 U.S.C. 5305(a)(4) et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy A. Carter, Sr.  
Member of Congress
