Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Port of South Louisiana Executive Terminal and Tower Project in fiscal year 2025. The entity to receive funding for this project is the Port of South Louisiana, located at 1720 LA 44, Reserve, LA 70084. The funding would be used to build a new executive terminal, which will increase capacity, energy efficiency, and ADA compliance for the airport. The project is an appropriate use of taxpayer funds because the airport is a lifeline and vital hub for business, general aviation, and hurricane response and recovery for the River Parishes region in southeast Louisiana.

The project has a Federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy A. Carter, Sr.
Member of Congress
