Dear Chair DeLauro and Ranking Member Granger:

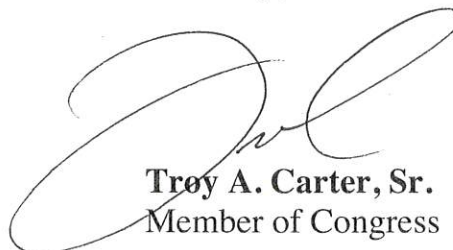

I am requesting funding for the Brick-by-Block Multi-Pollutant Community Air Monitoring Across Louisiana's River Parishes in fiscal year 2023.

The entity to receive funding for this project is Louisiana Environmental Action Network, located at 162 Croydon Ave., Baton Rouge, LA 70806.

The funding would be used for hyper-local air and water quality data collection and analysis in Louisiana's River Parishes – a historically underserved region that has struggled to address environmental challenges they have been facing since 1986.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

**Troy A. Carter, Sr.**  
Member of Congress
