Dear Chair DeLauro and Ranking Member Granger:

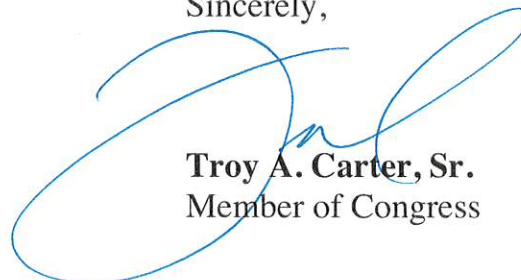

I am requesting funding for City of Donaldsonville Natural Gas System Improvements in fiscal year 2023.

The entity to receive funding for this project is the City of Donaldsonville, located at 609 Railroad Ave, Donaldsonville, LA 70346.

The funding would be used to replace the City's gas lines in the interest of public safety. The current infrastructure consists of old cast iron distribution mains for the City's natural gas system. Decades of corrosion to the system has left Donaldsonville in a state of emergency. Replacing their natural gas system is vital for the health and public safety of the community due to the imminent danger posed by the risk for potential gas leaks.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Troy A. Carter, Sr.
Member of Congress
