Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Proteomics/ Metabolomics Core Laboratory and Cell Sorting Facility in fiscal year 2023.

The entity to receive funding for this project is Louisiana State University (LSU), located at 20 F St, NW Suite 500, Washington DC 20001. The project address is 433 Bolivar St, New Orleans, LA 70112.

The funding would help establish a cutting-edge Proteomics/Metabolomics Core Facility and upgrade LSU's cell sorting facility. This equipment will allow us to round out the existing core facilities and help LSU conduct more high-level cancer research.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Troy A. Carter, Sr.
Member of Congress
