Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for Delgado Automotive Innovations Center Project in fiscal year 2024. The entity to receive funding for this project is Delgado Community College, located at 615 City Park Ave, New Orleans, LA 70119. The funding would be used for construction of an automotive training center. The project is an appropriate use of taxpayer funds because it will assist with the region's workforce needs.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'TAC', is written over the printed name.
