The Honorable Tom Cole
Chairman
Committee on Appropriations
H-305, the Capitol
Washington, D.C. 20515

The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the LA 47 / Lincoln Beach Blvd Improvements project in Fiscal Year 2027. The entity to receive funding for this project is the New Orleans Regional Planning Commission, located at 10 Veterans Blvd, New Orleans, Louisiana 70124. The funding would be used for a "complete streets" and traffic safety project to enhance non-motorized, multimodal access to area residents and visitors. The project is an appropriate use of taxpayer funds because it will improve traffic safety for major economic development projects along the New Orleans East thoroughfare.

The project has a Federal nexus because the funding provided is for purposes described in 23 USC 133 (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy A. Carter, Sr.
Member of Congress
