Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Christopher Park Affordable Housing Development project in fiscal year 2026. The entity to receive funding for this project is the Housing Authority of New Orleans, located at 4100 Touro Street, New Orleans, LA 70122. The funding would be used to fund the first phase of a multi-phase affordable housing development in a vacant and blighted site in the Algiers neighborhood of New Orleans. This first phase will consist of 102-units with a mix of 1-, 2-, and 3-bedroom apartments and townhomes providing families with a safe and affordable place to live. This investment in the community will positively impact the Algiers community catalyzing further economic development and community investment. The project is an appropriate use of taxpayer funds because it will increase the housing supply and improve housing affordability for working-class New Orleanians.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(4).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy A. Carter, Sr.
Member of Congress
