Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the LA 47 Hayne Blvd Improvements project in fiscal year 2026. The entity to receive funding for this project is the New Orleans Regional Planning Commission, located at 10 Veterans Blvd, New Orleans, LA 70124. The funding would be used for a "complete street" and traffic calming effort to enhance non-motorized, multimodal access to area residents. The project is an appropriate use of taxpayer funds because it will create safer traffic conditions for major economic development projects along the New Orleans East thoroughfare.

The project has a Federal nexus because the funding provided is for purposes authorized by 23 USC 133 (Surface Transportation Block Grant Program).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy A. Carter, Sr.
Member of Congress
