Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Port of South Louisiana's Infrastructure and Drainage Improvement Project in fiscal year 2024. The entity to receive funding for this project is Port of South Louisiana, located at 155 W 10<sup>th</sup> St, Reserve, LA 70084. The funding would be used for improvements to the Port of South Louisiana's Drainage system. The project is an appropriate use of taxpayer funds because the Port of South Louisiana is vital to the State and Local economy.

The project has a Federal nexus because the funding provided is for purposes authorized by 46 USC 54301.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
