The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-305, the Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the St. Bernard Parish Pump Station Repairs project in Fiscal Year 2027. The entity to receive funding for this project is St. Bernard Parish, located at 8201 W. Judge Perez Dr., Chalmette, LA 70043. The funding would be used for repair and replacement of system componenets at three pump station s throughout coastal St. Bernard Parish. The project is an appropriate use of taxpayer funds because the proper functioning of this infrastructure is fundamental to the safety and habitability of the entire parish, and the business and industry there along the Mississippi River.

The project has a Federal nexus because the funding provided is for purposes described in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq .

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Troy A. Carter, Sr.  
Member of Congress
