CONGRESSMAN CARTER'S

2024

YEAR IN REVIEW

FROM THE DESK OF
CONGRESSMAN TROY A. CARTER, SR

Dear Friends,

It has been an honor serving as your representative in the 118th Congress over the last year.

I am proud of the community events I hosted, the legislation I championed on your behalf, and the federal resources I've brought back to our district. Together we've accomplished great things, and I look forward to the progress we will make in the new year.

With the 119th Congress beginning, my focus continues to be bringing the voices of Louisiana to Washington. Louisianians work hard, and we deserve a government committed to addressing our needs.

In LA-02, my office remains ready to help you with various federal issues, from Medicare and Social Security to VA benefits and federal tax returns. If you have questions about our services, please reach out by calling (504) 288-3777 or visiting troycarter.house.gov. You can also follow me at @RepTroyCarter on all social media platforms to get the latest updates on everything I'm working on.

Thank you,

Troy A. Carter, Sr.
Member of Congress

KEY ACCOMPLISHMENTS
118TH CONGRESS

VOICE OF THE PEOPLE

2024 was a busy year! I led four caucuses, slept outside with Covenant House New Orleans to end youth homelessness in our city, and celebrated the Cancer Moonshot Initiative with President Biden and Dr. Jill Biden at Tulane University. The best part of my job is being the "voice of the people." It is my #1 priority to ensure our nation's leaders know what's happening in Louisiana. When they hear from me, I'm speaking with YOU in mind.

CAUCUSES FOUNDED

- **Flood Resilience**
- **Congressional Disaster Preparedness and Recovery**
- **Bipartisan Opportunity Youth**
- **Unified Voices**

BILLS INTRODUCED & COSPONSORED

During the 118th Congress, I introduced and co-sponsored 755 bills. It is an honor to support legislation that promotes equity, corrects injustices, and delivers for the American people. For a comprehensive list, click HERE. Here are a few:

Casework

As your member of Congress, one of my top priorities is helping you navigate federal agencies. In 2024, my office successfully closed over **821** cases for constituents. Here are some of the top categories where we provided assistance this year.

LA-02 "CURBSIDE"

What is an LA-02 Curbside?

I understand that navigating federal agencies can sometimes be confusing or difficult. My office is here to help make the process easier for you. An "LA-02 Curbside" is one way we bring assistance from agencies like the Small Business Administration, the Department of State for passports, and more, directly to you. Follow my social media accounts, @RepTroyCarter for information on upcoming curbisdes.

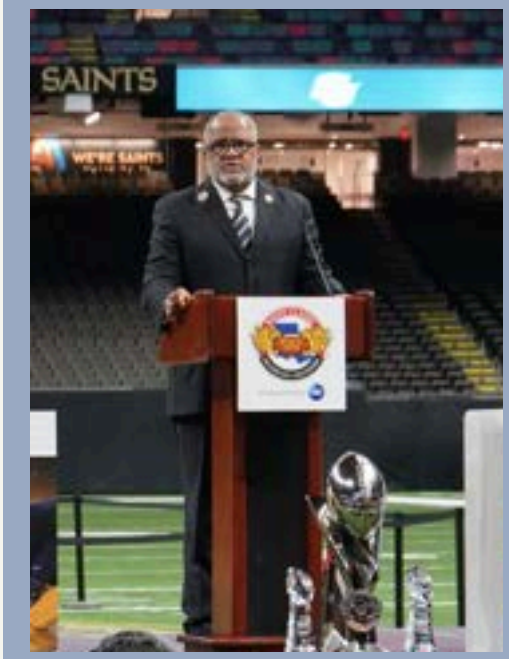

SUCCESS STORIES

SAINTS MIRACLE

An LA-02 resident was traveling to a Saints game in London and did not notice that between New York and London, she lost her passport. When she went through customs in London and could not find it, she was detained. My staff quickly communicated with her and the Embassy to get the correct documents to get her a passport appointment in New York City. Within 24 hours, she was back in the United States. Hours after landing, had a passport appointment, a new passport, and was back on the plane to watch the Saints play in London!

SAVING PROPERTIES

Constituents in LA-02 faced the distressing issue of their properties being at risk of being demolished by the New Orleans Code Enforcement Department, despite being approved for grants to conduct necessary renovations. After contacting the Louisiana Housing Corporation, my office successfully stopped these potential demolitions and worked to ensure better communication between agencies to prevent this from happening again.

LETTERS

15,079 SENT

It is important to me that your voice is heard. This year I responded to over 15,000 constituents regarding many diverse issues. To write a letter to my office, click HERE.

LOUISIANA-02 FUNDING

$2.3 BILLION+

One of the most important parts of my job is bringing federal dollars home to Louisiana. This year, I was proud to announce extensive funding accomplishments for various projects throughout LA-02, including infrastructure improvements, environmental justice initiatives, supporting small businesses, and natural disaster recovery. Here are a few:

$17.5 M in Community Project Funding

$156 M: "Solar for Y'all" Program

$50 M: Climate Action Initiatives

$15 M for Clean School Buses

$7 M for the Port of New Orleans
